Re: Kickball Start-up Information

The 2018 Kickball season is approaching quickly. Last year was a great success with 20 teams participating in our leagues. With the increased interest and participation in our kickball leagues it is vital that you hand in your registration form as quickly as possible to ensure a spot in your desired league.

Our department has reserved the dates of July 9-25 for the registration of returning teams. Only teams who have participated in our league in 2017 will be allowed to register their team at this time. To be considered a returning team your roster must have at least 6 players from your 2017 kickball roster.

Beginning July 26, kickball registration is open to all teams interested in playing, with league spots being filled in a **first-come-first-serve manner.**

Leagues will be offered on Thursday and Friday Nights this season. All divisions will be considered “slow pitch.”

Roster Forms:

Please note that ***no rosters will be accepted unless a minimum of 12 players are listed.*** This assures us that your team has enough players at anytime during the season to prevent a forfeit. In addition please also note that the main form of contact between our department and your team contact will be via email unless otherwise noted, so please legibly record your team contact’s email in the appropriate space.

Due Dates:

Rosters are due by **Friday, August 3, 2018** (player’s addresses must be listed)

Entry fees (\$200 for a resident team; \$250 for a non-resident team) are due by **Friday, August 3, 2018** (teams not paid by this date will forfeit their spot in the league)

League Meeting:

An organizational meeting will be held at the Recreation Department, 500 Wheatfield Street, prior to the beginning of the season. Registered teams will be notified in advance of the exact date and time of the meeting. ***Each team is required to have a representative present*** for this meeting as changes for the upcoming season will be discussed along with any and all questions being answered at that time regarding the upcoming season. ***Teams not represented at this meeting may lose their rights to their preferred playing night.***

Liability Forms:

Team members are required to sign a team liability form prior to participating. Liability forms must be signed and turned into the Recreation Department prior to the team’s first scheduled game.
